It is our goal to bring dance to every child in a nurturing environment. We will work directly with your daycare or school to provide our comprehensive classes in the convenience of your facility.

We pride ourselves on having award-winning instruction, as well as tasteful and age appropriate costumes, music, and choreography.

Classes Offered

Ballet/Tap A 45-minute or 1hr class (bases on the school schedule) for students 2 ½ to 6 ½ years old. This class teaches the fundamentals of tap and ballet. Students will begin with tap and finish with ballet.

Jazz/Hip-Hop/Tumbling A 45-minute or 1-hour class (based on the school schedule) for students 3 to 5 years old. This class will be a combination of first tumbling with various beginner acrobatic skills followed by an upbeat jazz/hip hop class. They will have no recital dance for tumbling. They will perform a jazz dance in recital.

Musical Theater A 30-minute class for offered to students 5+. This class combines the upbeat styles of musical theater dancing. All music selections and dance moves are age appropriate.

Program Perks:

- Easy online registration
- Perform in the Future of Talent Recital
- Convenient! *No rushing to dance class!
- We come to you!

Offer DANCE in YOUR school!

Our mobile Dance Program is a great way to introduce your child to the art of dance while at their regular day care center or pre-school. Our instructors go to the day care center or school and teach a weekly class in dance genres based upon the child's age group and interest . We focus on teaching children the art of dance with an emphasis on technique and fun. All of our programs are designed to promote balance, coordination, and self-confidence as well as physical fitness for girls and boys ages 2 and 1/2 & up. These students will enjoy an end of the year Recital (with costumes and all!) to show their friends and families all they have learned.

If you would like to have The Future of Talent bring their mobile dance program to your child's center, please tell your childcare center director or call our studio at the number above for more information.

Check with your school or call The Future of Talent Company at (518) 801-7523 to see if we can partner up. If you are a director of a school, or a parent, and are interested in adding our program or have any questions please give us a call or email us at FutureofTalentco@gmail.com
